

AURORA DENTAL SPECIALISTS

WILLIAM L. PERKINSON, D.D.S.

ORAL AND MAXILLOFACIAL SURGERY

OUR FINANCIAL POLICY

Thank you for choosing Aurora Dental Specialists. Our mission is to deliver the best oral surgery care available.

Patients are expected to pay by cash, check, credit card or CareCredit the day the service is rendered unless specific arrangements have been made.

For those patients who are covered by insurance, we accept assignments of benefits. This means that you must sign the portion of your insurance form that "assigns" payments to our office. Most insurance plans do not cover 100% of the cost of treatment. You are expected to pay your deductible and your portion of the estimated charges the day the services are rendered. We will ESTIMATE your portion, but until we actually receive payment from the insurance company, it is just an estimation. For those patients that we are filing with medical PPO insurance, please keep in mind that benefits to be paid will first be applied to your annual deductible and only if they have dental coverage. We will assist you in filing with your insurance company, but ultimately the responsibility lies with you.

Please feel free to ask any questions that may remain unanswered either before or after treatment.

I understand and agree to the above financial policy. I acknowledge I have reviewed a copy of this office's notice of privacy practices. (HIPPA)
